Maggie Plauche, owner

Categories: 🐔 Fresh Fruits & Vegetables 🐔 Specialty Food Products

Growing Method: Chemical Free

Availability: Year-round

Location: SW of Sherman, TX

- tomatoes • bell peppers • jalapeños • cucumbers • squash • okra
- pumpkin • green beans • cantaloupe • watermelon • broccoli

- Several varieties of herbs

I grow my produce outdoors and in my 3,000 sq foot hoophouse. This allows me to offer them year-round. I am chemical free. My guinea hens take care of the pests and I produce my own compost.

I sell my produce year-round at the

Local Farmers Market of Grayson County

Hwy 56 just west of FM 1417

Friday–Saturday, 9–2
