

Fannin Farmers' Market

2632 North Center Street (Hwy 78)

(Just north of Hwy. 82)

Bonham, Texas 75418

Andrea and Wayne Carroll (who own Fannin County Livestock) decided to give the Farmers' Market idea a try. Fortunately for the many shoppers who showed up on the first Saturday (May 30), one vendor ventured forth with a glorious assortment of fresh veggies. Because it sometimes takes a while for "new" things to catch on, the Carrolls will continue to host the market with the theory "... if you build it they will come."
