

Farmers Market of Grayson County

Hwy 82, just west of FM 1417

Wednesday - Friday 10am - 2pm

Saturday 9am - 2pm

We sell only locally grown (within 40 mile radius) and naturally grown (no chemicals). Because many growers have **greenhouses**, the market is open year-round.

In addition to **produce**, we also have vendors that sell **baked goods**, **honey**, **firewood**, and **pecans** (when in season).
